Description

Exceptional hose, extremely flexible, with the wall bending towards the outside for optimum flow and extended life. Good resistance against wear, oil, fat, ozone and many chemicals. Ether PU for microbe resistance Ester PU for abrasion resistance FQ and FDA approved versions available.

Application

Specially suitable for abrasive dusts, cement, cereal grains, sugar and other granules.

Structure

PU hose with a hard PVC spiral, crush resistant.

Colours

Standard colour: Transparent with grey spiral Heavy types: transparent with blue spiral. Other colours upon request

Working pressures

up to ID 65: 1bar. Upwards: 0,5 bar

Working Temperature

-25° +85° C
